

# Tennis Company

www.tenniscompany.com

Congratulations!

You have received a Gift Certificate to The Tennis Company. The Tennis Company is an on-line Tennis Store. Please visit our site at [www.tenniscompany.com](http://www.tenniscompany.com)

Before you proceed with the checkout process, at the bottom of the item summary page there is a place to enter the gift certificate code. Enter the code and then click on the "Enter Gift Certificate Code" button. Now you are ready to check out. Proceed with the checkout process procedure.

If the total amount of your order is more than the Gift Certificate amount, you will need to provide credit card information for the remaining balance. If the total amount of your order is less than the Gift Certificate amount, select the payment option, "call for CC information". This way you do not need to enter credit card information. The remaining balance will stay in our system. You can use the same GC code until the balance is zero. Once the full amount is used, the GC will no longer work.

If you have any questions, please give the store a call.
